Office Order

This is notified to all concerned that this is the peak season for irrigation in Muhuri Irrigation Project. As of the date, 560nos of schemes are electrified (although some schemes are not in place with transformers and some scheme's pipe lines are damaged with public cut). It is utmost needed to operate all the schemes in this irrigation season. So, it is imperative for C-IMO Consultants & PIU, BWDB officials to be more vigilant during this period and remain stationed accordingly. All of them are requested to seek prior approval from the undersigned before departing from their assigned stations, in case of urgency.

This office instruction would be effective immediately.
